What is Godly Play?

- ▶ Godly Play, inspired by the Montessori approach to education, honors each child's individual and natural sense of wonder.

- ▶ Storytelling is at the heart of each Godly Play lesson. Sacred stories and parables of our Christian faith are told using hands-on materials.
- ▶ Following the story, children are encouraged to find meaning for themselves through "wondering questions": I wonder what part of the story you liked best? I wonder what part of the story you think is most important?

Sunday Morning Godly Play

**for young children & their parents/
grandparents**

Each Godly Play session uses sensorial objects to help make the story come alive. The story is followed by activities (which each child or family can choose), snack, music and prayers—all done in a casual, comfortable setting.

**Sundays bi-monthly
9:15—10 am**

Kathy Stensgaard, Coordinator

Godly Play lessons are geared for preschool through early elementary aged children and their parents, but families vary and all are welcome.

Children enrolled in Wednesday School are also welcome to join us with their parents on these special Sundays.
