Shopping Guidelines

1. Love, INC has set a budget for each child. You will receive an envelope with cash in it that you will be responsible for.
 - Please refrain from spending additional funds of your own to maintain equality.
 - Children are able to choose the clothing they would like this year, there is not a specific list they have to purchase. Included in what they are able to purchase are: jeans or pants, shirts, jackets, socks, underwear and shoes. If the child chooses to purchase shoes, they must also purchase at least 2 clothing items. We are not just providing an expensive pair of shoes.
2. All clothing purchased **MUST** meet the Rapid City School District clothing guidelines.
