Dear 6th Grade Parents,

The education offerings here at Calvary will be different this year, but we are grateful for this opportunity as we prayerfully endeavor on this new journey. Please choose one of the following options for your family when you register:

Option 1: Online only/At-Home provides access to online learning materials for October-December. Online learning includes a link to teacher/parent guide and student materials. Registration required. You will also receive take home learning materials including teacher/parent guides and student materials. Materials will be available for pick up on Thursday October 1, Friday October 2, and Monday October 5 from 9am-1pm.

Option 2: Blended Wednesday learning experience. This includes once a month in person class for 6th graders and twice a month online learning (described in option 1). Wear your mask during Wednesday education night. In person includes class time, worship, and take-home materials. See the schedule below:

5:15-5:30pm 6th Graders meet upstairs in Assigned Room on assigned date

5:30-6pm Worship in Sanctuary

6:00pm 6th graders pick up take home hot meal to eat at home

Regardless of what option you select, each registered family will receive a learning packet described in option one.

To register for option 1 or 2 go to: www.calvaryrapidcity.org/education

Thanks for your kind understanding as we venture in new directions to experience the Gospel in new ways.

Blessings,
