

# WEEK 1 Reach Up

We reach up and love God through worship. In 2020 we were very fortunate to be ahead of the crowd that needed video equipment for remote worship. The change to digital projectors and cameras gave us a significantly clearer picture for in person worship, as well as for live-streaming and television for our remote viewers. Thank you for helping make that happen. At the onset of Covid in the spring of 2020, our congregation applied for and received a PPP loan, which has now been converted to a grant. This economic protection has allowed us to continue to work on upgrading the audio equipment to finish the enhancements to our worship experience.

Attitude of gratitude  
for opportunities  
to worship?

Think of ways you are grateful  
for Calvary... and write it on this  
sticky note and put it on the  
GRATITUDE wall in the Narthex.

# WEEK 2 Reach In

Let's renovate and reconnect with our Calvary faith community. Phase 1 will be the start of making the fellowship hall a better place to reconnect with each other. Upgrading the flooring would give us opportunities to add volleyball or pickleball or yoga classes. Moving the speakers and adding a projector would make the movie nights an option or allow us additional overflow space. We need to make sure the acoustics are family friendly for Wednesday night mealtime. With the uncertainty of construction pricing and availability of materials, we estimate that \$50,000 will give us a good start on this ongoing project.

# THE CHALLENGE

How can we reconnect with our Calvary faith community?

- Can you reconnect with someone here that you haven't seen in a while?
- Can you strike up a conversation with someone you don't know?
- Where to start? Use the WHEAT acronym.

**Where**  
**Hobbies**  
**Events**

**Travel**

# WEEK 3 Reach Out

We are truly thankful that in 2021 we were able to look beyond our walls. When our community was still struggling with the pandemic, we knew that God was calling us to step up. Because of your generosity we knew we could continue to help our community.

Woyatan, our anchor church partner, completed the Native Community Resource Center this summer and is actively helping with tutoring for children and meals for families. Our donation along with additional support from synod, The South Dakota Community Foundation, the Black Hills Community Foundation, the Rocky Mountain Region of Thrivent and other community organizations totaling over \$80,000 was instrumental in completing the construction. Our additional donations for the ongoing support for meals for these families is only one area where we are serving the world around us.

With your help we want to increase our support for our agency partners in the community by \$10,000 in 2022.

# THE CHALLENGE

How can we support local community agencies?

These are a few of the organizations that Calvary is supporting in the next few months.

Can you find ways to

- support Feeding South Dakota with our food drive?
- support WAVI with a donation?
- support Pine Ridge Headstart program with a winter jacket, hat or mittens?

# WEEK 4

Your pledge, no matter how large or how small, will help us follow God's call to **Reach Up, Reach In and Reach Out.**

**connect**  
**Care**  
*Reach Up, Reach In, Reach Out*

# THE CHALLENGE

Turn in your  
Pledge Card.

- Pray for our faith family's mission and ministry, and how your offering can enhance our caring.
- Pray about how you can respond in joyful generosity.
- Pray about what God has given us and how it helps proclaim the gospel.
