## CARING FOR ADULT RELATIONSHIPS

Many adults finish raising their children and then wonder, "what's next?" They are looking for purpose, fun and fellowship.

Investing in our adults is important and a definite need for Calvary. We want all our faith family to know they are valued, and to provide opportunities to be engaged in our community and church.

We will provide a staff position to work 10 hours a week to expand and

strengthen our intentional ministry with adults. The goal of this position is to involve adults through recreational events in the hills and provide mission experiences, locally and globally. These additional staff hours will require an investment of \$10,000. Please picture what this could look like and pray about your response. Help us make this a reality!

The chart below shows two bars. The first bar indicates our hoped-for giving in order to reach our goals of **“Picturing the Possibilities”** for Calvary Lutheran Church. The bottom bar shows our current giving.

Spend some time in prayer about how you will be a part of enhancing the picture of our congregation next year:

+ How completely does my giving reflect my gratitude to God for all the blessings I receive?

+ Where would I be on the chart if I doubled my giving?

- \$20,000..... Increased staffing, musicians and kitchen help for Wednesdays
- \$10,000..... Staff person to plan, coordinate and implement events for adults of every age
- \$10,000..... Staff to assist with middle school children
- \$100,000 .. Ongoing operations (technology, facility maintenance and staffing)
